Re: Gary Gervais  
Excellence In Carpentry Inc.

To Whom It May Concern:

Gary Gervais performed remodeling work at my home at the above address. I found Gary to be very reliable, trustworthy and a man of integrity.

He worked at our home for at least a couple of weeks and you could always count on Gary to do an excellent job on every project.

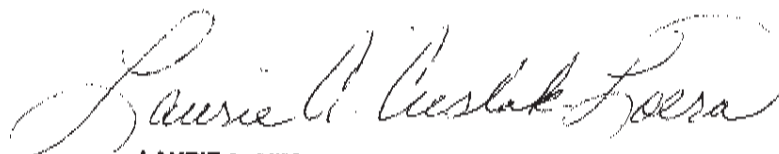

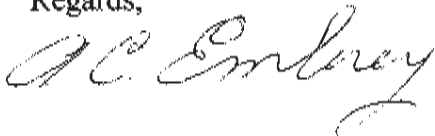

Gary is very customer focused and made sure that we were satisfied with everything he did at our home.

Having worked for UPS thirty three years, a company that prides itself on excellence and excellent customer service, it was a pleasure to find someone like Gary would has similar values.

I recommended Gary to a friend and he too was very pleased with Gary's work.

I would feel very comfortable recommending Gary to anyone knowing the type of work he does and knowing he would always make sure the customer was satisfied.
